Subjects(s):

End Political Re-Gifting*

Number of Emails: As of December 6, 2010 10:20am – **23**

Body:

When I donate to a candidate's campaign, I am expressing my support for that candidate. I do not want the candidate to re-gift my donations to other candidates or causes without my permission.

I am writing to ask you to support rules that will require candidates to simply respect donors' intentions. Candidates should not be allowed to transfer the money to another campaign. Candidates should have to give the money back to the original donor.
